

WIPE NEW® WHEEL & TIRE CLEANER

DESCRIPTION AND USES

To give your wheels and tires the care they deserve, you need more than a car wash, you need a product designed specifically for the job. Wipe New® Fierce Wheel & Tire Cleaner delivers a powerful, deep cleaning foam that cuts through brake dust and provides a level of cleaning you cannot achieve with ordinary car wash.

PRODUCT FEATURES

- Clinging foam cleans hard to reach areas of intricate wheel designs
- Restores the black to tire sidewalls
- Corrosion inhibitor helps keep wheels looking like new
- Acid free formula
- For use on OEM clear coat wheels

PRODUCT

DESCRIPTION	SKU
20 Oz.	372668

NOTE: Before using be sure wheels are cool to the touch. Do not use in direct sunlight. Do not allow product to dry on wheels.

PRODUCT APPLICATION

DIRECTIONS

(Read entire directions and warnings prior to use.)

1. Holding can 6"-8" away, spray Wipe New Fierce Wheel & Tire Cleaner on wheel surface and tire sidewall. For a thorough, deep clean be sure to spray around wheel lug nuts.
2. Allow product up to 30-60 seconds to cut through and remove brake dust, dirt and road oils from wheel and tire. For heavy brake dust, a wheel brush may be necessary.
3. To bring the black back to your tires, use a stiff bristle brush to deep clean and remove the brown residue.
4. Rinse thoroughly with a strong stream of water.
5. Dry wheel to prevent water spotting.

Tip: For the finishing touch, apply Wipe New Blazing Wet Tire Shine to the tire sidewall for that professionally detailed look.

KEEP OUT OF REACH OF CHILDREN.
